I understand that Lake Placid Soccer Centre is not responsible for accidents resulting in medical, dental or other expenses, including loss of personal items. The camp participant will be held responsible for all property damage and may be sent home without a refund for violation of camp rules. The applicant must be in good health and be able to participate in the physical activity of a vigorous program. A health form to be completed by the applicant's parents/guardians will be sent with the camper's confirmation letter and must be presented before arrival at camp. A non-refundable deposit is required for this application to be accepted, with the balance due before camp. In the event that I can not be reached, it is permissible for Lake Placid Soccer Centre to have a doctor/hospital treat my child for medical reasons.

Refund Policy

Deposits are non-refundable. Deposits are transferable to another family member.

All refunds are subject to a \$25 processing fee plus the non-refundable deposit. No refunds will be given for cancellations made a week or less before your program start date. This includes unexpected personal schedule conflicts (i.e.: summer school, vacation, and youth league activities).

If you notify the camp office on or before the Friday prior to your camp program date that your child has become severely ill or is injured, you will be refunded your full tuition less a \$25 processing fee and the non-refundable deposit. If you contact the camp office after the Friday prior to the start of camp, you will be given a refund of 50% less a \$25 processing fee and the non-refundable deposit. All such illnesses or injuries must be substantiated in writing by your families physician.

If you wish to change your registration you may choose one of the following options:

1. A transfer to another LPSC program
2. A credit voucher for future use to any LPSC program. Expires one camp season from the date of issuance.

If a student leaves camp early for medical reasons, the portion of the time missed from camp less the deposit will be credited to a future session. Any camper who is dismissed from camp because of behavioral problems will not receive a refund. The above policy will allow us to plan our staffing needs in advance and provide the best possible camp experience for all our campers.
